Complete the training and print certificate

Upon successful completion of the course and quiz at the end, you will be able to print your certificate of completion.

This certificate should be brought with you on your first day.

If you don't print the certificate immediately after completing the course, you can log back in to the system at any time using your login and password.

Click on "Course Progress" and then click "Completed Courses".

Your completed course will be shown on the screen along with a printer icon. Clicking on the printer icon will generate your certificate.

Technical requirements

Please note : Internet Explorer 11 is not supported at this time.

You will get an error message if you try to take the training using Internet Explorer.

The error message will advise you to download Google Chrome or Firefox. After downloading Google Chrome or Firefox, you should use that browser to take the training.

Further details on this are available on the [EazySafe Support Website](#).
