

# Sulzer Induction - Registration Process

## 1. Click "First Visit? Register now!"

To begin the registration process, go to <http://sulzercontractorinduction.com> - there you will find these PDF instructions and a video showing the registration process.

To begin the registration process, click the link indicated.

**You only need to register ONE TIME for the system!**

Registering multiple times causes confusion.

Login is always in the format of surname.number @ sulzer.com e.g.  
ryan.12345@sulzer.com

## 3. Fill in registration form

Enter your details on the registration form. **ALL FIELDS MUST BE FILLED IN.**

**Please enter a valid, current email address.** You will need this if you forget your login or password at a future date.

Click 'Submit' when you have finished entering your details.

The screenshot shows the registration form for the Sulzer Learning Centre. At the top left is the Sulzer logo, followed by the text 'Learning Centre'. Below this is a horizontal black bar. The main content area is a white box with a light grey border. Inside, it says 'Please fill in your personal details below to create a learning centre account' and '\*Fields marked with an asterix (\*) must be filled in'. The form fields are: 'First Name\*' (text input), 'Surname\*' (text input), 'Company name:' (text input), 'Email address\*' (text input), 'Confirm email address\*' (text input), 'Manager/Site\*' (dropdown menu with 'Choice' selected), 'Password\*' (text input with a note 'Please enter the password you would like to use for your account'), and 'Confirm Password\*' (text input). A blue 'Submit >>' button is at the bottom right.

## 4. Take note of details

Your login will be in the format surname.numbers

e.g. Jones.326241@sulzer.com

**\*\*\*\*\* Take note of this login.\*\*\*\*\***

**This login is to be used in future for refresher induction training and for follow up should we need to contact you for any reason relating to the induction.**

Click 'Login' to continue

You have successfully created a Learning Centre account!

Your username is **Jones.326241** @sulzer.com

*Please take note of this username and your password so you can login in future.*

You can now login to the Learning Centre and begin your training.

## 6. Take your training

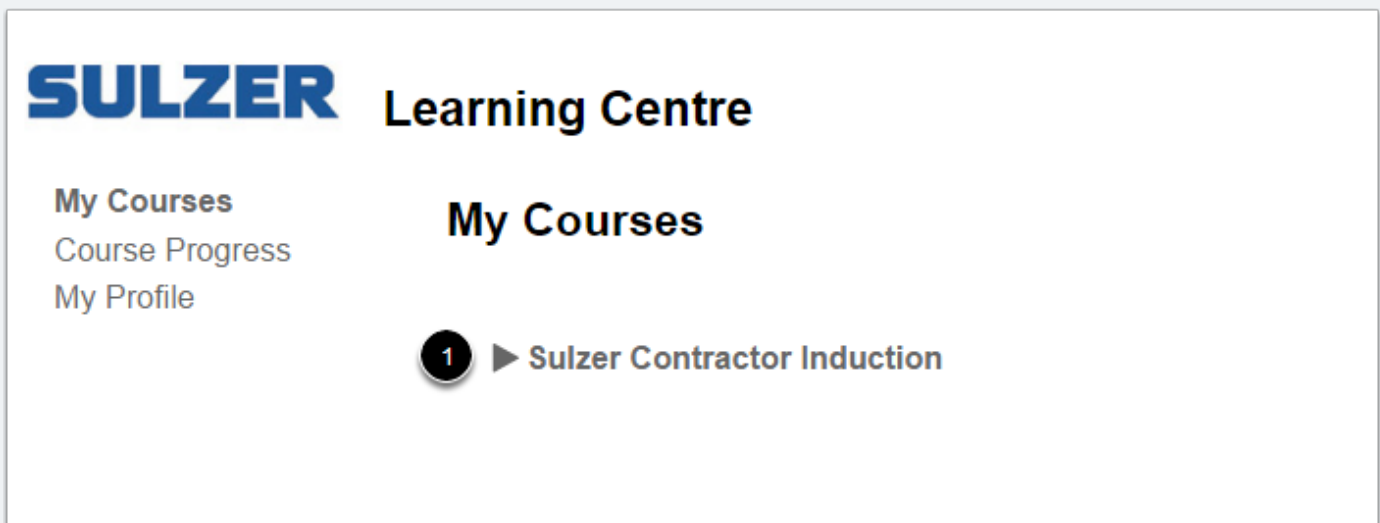

1. Click to begin your training

You may need to enable pop ups in your browser in order to view the course content.

For instructions on how to enable pop ups in Chrome - [click here](#)

For instructions on how to enable pop ups in Firefox - [click here](#)

For instructions on how to enable pop ups in Internet Explorer - [click here](#)

## Complete the training and print certificate

Upon successful completion of the course and quiz at the end, you will be able to print your certificate of completion.

# Sulzer Induction - Registration Process

If you don't print the certificate immediately after completing the course, **you can log back in to the system at any time using your login and password.**

Click on "Course Progress" and then click "Completed Courses".

Your completed course will be shown on the screen along with a printer icon. Clicking on the printer icon will generate your certificate.

## I forgot my login and/or password

Please use the links provided on the website to obtain a login or password reminder.

**\*\*Note :** If you did not enter a valid email address during the registration process, you will need to **contact the system administrator for assistance.\*\***
