

All visitors on United Drug sites will need a SafetyPass from the United Drug Learning Centre. To obtain your pass :

[CLICK HERE](#)

1

Then click “[First Visit ? Register now](#)”.

Enter the company registration code and click “[Submit](#)”.

2

Fill in your details on the registration form and click “[Submit](#)”.

Take note of your username and click “[Login](#)”.
On the login page, enter your password and click “[Login](#)” again.

Click “[Contractor Environmental, Health & Safety \(EHS\) Induction](#)” to launch the induction.

3

Upon successful completion of the quiz at the end of the induction, you will receive a pass. This pass must be printed and signed by you and presented to your United drug representative/ contact. If you are not able to print, please write down the certificate number so it can be checked at the entrance of the United Drug site.

4

The pass is valid for 1 year, after which it will become invalid and access to the site will no longer be granted.

You can reprint it by logging on again with the details you received in your welcome email or visiting the original registration link provided in Step 1.

If you encounter any issues during the orientation, please talk to your United Drug contact or visit <http://support.eazysafe.com> and open a ticket if required.
